Birkenhead

8<sup>th</sup> March 1858

Dear Captain Washington

I duly all  
your enclosures for  
Sierra Leone and the  
Cape on the 7<sup>th</sup> and  
return the agreement  
with the signature of

[0002]

the engineer annexed.  
We are all ready for  
embarkation and nothing  
but the weather, which  
was excessively bad  
all yesterday, will  
prevent our sailing  
about noon.

I beg leave again  
to express my grateful  
sense of your very

[0003]

great and constant  
kindness throughout the  
preparation of this expedition .  
I tender you my  
cordial thanks for all  
the labour & anxiety  
you have so patiently  
undergone in our  
behalf and I hope  
your good wishes  
may be realized

[0004]

by every one of us  
effectually doing our

duty .

I am yours

very cordially

David Livingstone

with snow. If the pilots  
say we may venture out  
we shall do so about

account for the launch as  
an aid though it may not be  
quite essential . D. L.
