My Dear M^r Murray

I beg to
acknowledge the
receipt of two
notes of hand of
eight & ten months
date [each] for £1050 this
morning & return you
my best thanks
for the same.

[0002]

We came out here
last night and
remain a few
days in quiet,
though I fear that

I must come to
the West End for
a dinner this
evening - at

Captain Washington's

I have got a bad
cold & only hope

[0003]

it will be better
before going to
Oxford. I am
thus out of
Arrowsmiths beat
so you must
apply some other
long pole to stir
him up. Set Cooke
at him! My

brother will call
for my letters.

I am &c

David Livingstone
[0004]

My friends all
call out against
the portrait by
Philips, Vardon
says it will do
for any one between
Captain Cook &
Guy Fawkes!
