2 March 1865

My Dear Sir John

I thank you much for kindly about the in the Artic putting fresh leaves the roots still hard frozen. putting forth new buds & while the

[0002] roots can draw moisture is the part to which refer - but as it not essential the statement your name mentioned I omit it. did not like to your without you know .

[0003]

We had begun to in this that the climate had thus far - didn't blame Admiralty some mistake the gulph but the atrocious

I hope you have enjoying

[0004]

good health through all and am Truly Yours

David Livingstone

To

Sir John Richardson
