My Dear Major Vardon

Can you possibly
find the scientific
names of the Lake
shells brought
home by Oswell .
He is in town
now and called
here a day or two
ago. I was out .

[0002]

I send you by this
post three pieces
of the book. I have
got Mr Binney
to aid me too
in revision .

Went yesterday
to the Lord Mayor
& got £200 - and
told him I wanted
the money put

[0003]

into the bank
of Coutts & co. So
I hope M^r Wire
will save himself
the trouble of
finding it for me .

Ever yours
D Livingstone
