My Dear Waller

I wrote you
a "Young man
about town"ish
letter yesterday
This is business
Be good enough
to send the enclosed
to Meller at your
earliest convenience
[0002]

I want him to get
through his brother
a collage for me
near London
where I may be
retired from
everyone HW
included.

I am still with
my mother &
family and hope
you are enjoying
yourself - Between
ourselves Bishop
[0003]

Tozer's conduct
has staggered his
friends and
having been
consulted I have
given my
opinion of it
pretty plainly
but I hope
without malice

He is pretending
that at Zanzibar
he will work
in Central Africa
”The merchants
[0004]
of that great Emporium
underselling others
even at Tette”
I say Central Africa
is abandoned
but they will get
nice little comforts
& luxuries at
Zanzibar
