My Dear Sir

No 3. is most like is wanted - stone is placed away the person . She has the so far under as to give her to the move stone. It is on a mat skin to catch

[0002] meal as it slips off the lower end

Put a killt on waist to knees that bare a string of beads the neck - neat are usual the originals - might make front view 3. & a side - the knees right at the part of the stone

[0003] a good face & . Dont follow usual formula - Mouth like of a hippopotamus like waggon- – no forehead

& nose like the of a and you oblige

Yours &c
