My Dear Kirk

I put a question two down just as I of them - I thank for the compliment pay to my name you can come you not to be afraid of the . Webb will say little. You too if there anything African

& I conclude - that is . Webb thinks Bjouk good place for the of you as there is good medico there that you ought not be thrown away

[0002] tree is it with the bitter bark selpes are by the Badéma

(Zandia's people) is the name the Sensi - the animal they to burn out of islands -

Could you make errand to the Office to out Col Rigby, anent

[0003]

Roscher's discovery. think I asked you - but I fear would communicate India or the Office - Cap<sup>n</sup> cannot charge memory as to he recieved information from

Roscher or second hand have set Agnes to look the original letter Oldfield to me -

Before you come will you give

Murrays artist a loan the photograph of

[0004] Baobab the grave

& Shupanga house form with the fig one picture I have only the Baobab grave here.

I think Oswell only saw the Poku & was not shot till . I think is a kobus but recollect distinctly is half brother to the Leche - a thorough buck - D<sup>r</sup> (costume delle) made Reade's Island areas - Reade

Says it is called Djikijunka - a nice . I saw harte beasts West of the a little less in size than sows
