Sir George Back

We never
did ourselves the
honour of returning
the kind call
of Lady Back
because we
have been so
closely occupied

[0002]

with the narrative.
And we are now
about to go out
a little way into
the country for
the sake of quiet
in order thereby
to finish the
same work. We
think of Barnet
and will leave

[0003]

on Tuesday next .
I hope Lady Back will excuse my
want of politeness .

A gospel
according to Luke
came to me this
morning probably
in Esquimo,
the address is not
in your hand
and no note

accompanied it

[0004]

I hope people don 't
think I need cooling
in your cold
regions, for I
think you have
done quite enough
there and the very
thought of your
ice-bergs makes
me shiver. Did
you try your
hand at the Falls .

I am &c most truly
yours

D. Livingstone

Please do not trouble yourself to
answer this. I mean only the Falls are very difficult .
