My Dear M^r Murray

I have been thinking
it might be well to take
all about the Oxford
and Cambridge Mission
and put it into one
chapter and Head it
O & C. Mission &c
Would that be better
than having it
mixed up as it
now is. I have
given Bishop

[0002]

Mackenzie high com
mendation for
goodness of heart
& earnest devotion
to his work as I think
he deserves it, but
I am at a loss what to
say about Tozer
It wont do to say
he is a good pious
donkey. I am at the
conclusion now
a sort of recounting
of results and telling
what I think about
Missions squadron &c

[0003]

I think the frontispiece
very good. If the
3^d crack were
drawn a little more
to the right it would
be better. Baines
certainly did not
go over there -

When you have
done with the
paintings I shall
write a note of
thanks to M^r Layard
It was from his
order that I got
them from A.G.S.

M^r & M^{rs} Webb are now
in London for advice
