My dear M^r Gabriel

Along with this I enclose the map
& letter for Sir R. Murchison opening it you will find it easy you will let it stand an hour or
two a towel on which you sprinkled water previously.

The same process will enable you to it again with facility

Please when you write to Lie^{ut} present my compliments his escape.

Fancy the natives in 1855 of the "new"
"earth", & no more sea, digging up my manuscripts & as much puzzled tell the situation of
Angola as the have been with the of the Garden of Eden. As you are a lawyer in embryo
(pardon) I suppose the decision that person born out of England is an
"alien"- will change your views a , I believe it was given in a of copyright.
