My Dear D<sup>r</sup> Shaw

You are quite  
right about the  
balls. I ought  
to have said  
the ball was  
an eight to the  
pound ball or  
two ounces

[0002]

As some more may  
be printed off  
yet I have ordered  
the phrase to be  
changed to a two  
ounce ball. When  
you mentioned it  
I looked at another  
place where the  
same gun & ball  
is spoken of  
properly  
[0003]

I am glad that you  
are pleased with  
it. I have written  
your name in  
a copy, and one  
will come to the  
society on the  
9<sup>th</sup> for the Library  
if admissable.

The large map  
is at Birmingham  
but I wrote off for  
it this morning

[0004]

and it will be  
here in good time  
for you. Thanks  
for the ticket  
you sent me

I go down to Rugeley on thursday  
but will come up  
so as to be at the  
meeting on Monday  
the 9<sup>th</sup>

I am ever  
yours  
David Livingstone
