Sir

As another sextant  
is required for the use  
of the Zambesi  
Expedition in addition  
to that we already possess  
I beg leave to apply  
to you for one, and

[0002]

I will account for  
it to the Admiralty .

I am &c

The annexed letter I received  
from the personal friend of  
D<sup>r</sup> Livingstone - Captain Skead, late  
R.N. and Admiralty Surveyor  
to the Zambesi expedition - and  
I can therefore testify to its  
genuineness.
