My Dear M^r Murray

Adams goes
the "whole hog" you
see, dedicated to
the Missionary Society
not however by
permission I hope.

Sir Roderick
thinks we ought

[0002]

to put an advertisement
in the Times as
well. I have not
seen the reply in
the Athenaeum, can
you let me see it
if it be necessary
to reply

I send I - XIII
keeping back
X as I am about
to sweeten it as I

[0003]

been engaged all
day in doing to
other parts.

there is a tree
in the plate of the
Falls which I
objected to before
it is of this shape
now I wanted

it thus with

foliage on these
little branches alone
the enormous
[0004]
arms are always
seen distinctly even
at a distance. You
can have some
more pieces as
soon as I look
over the errata
and a few more
for your friend
Could an injunction
not be got with
case against this?

Yours &c

D Livingstone

Lake Nygami might be improved. my
jacket was always short - & blue cloth cap
