Dear Captain Washington

Will you be
so kind as to send
the bill for my
chronometer to
Wilbraham Taylor
1 Robert St.
Adelphi - Strand
[0002]

I find by a
letter from Sir
Roderick that he
thinks our
proposed arrangement
with Thornton
would be a
breach of faith
as he [has drawn a part & moreover] is a first
rate metallurgist
& might get £400
at home
[0003]

I earnestly hope
that the matter
may be comfortably
arranged with
Baines. Mr
Wilson seemed
to suggest no
obstacle if (it
(an increase in
Baines pay)
came in a regular
way through the
[0004]

Foreign Office but
nothing can of
course be done
without your
full consent
I did not go to
Mr Hammond
but have been
busy all day
leave taking - but
will tomorrow
after I have seen
you
[0005]

Are our instructions
drawn up? and
the agreement to
be signed? I dont
expect you to
answer these
questions but
I often forget
points when in
your presence
which are on
[0006]
my mind when
quietly writing
For this reason
too I mention
now that I got
a copy of a
decree of the
Portuguese Gov^t
which decides
that the valley
of the Zambesi
to which the
[0007]
Portuguese [crown] lays
claim is henceforth
to be called

Zambesia

and it extends
to beyond Zumbo
Had they named
the Longitude
it would have

coincided exactly
with what I
pointed out to
[0008]
M^r Hammond for
Lord Clarendon's
information viz.
30° E. of Greenwich
and the decree makes
all that we take
in free of duty.
That when they have
no custom house
nor even a village
at the entrance
(Luabo) I am &c
