My Dear M^r Murray

I recieved the
proofs and woodcuts
safely this morning
I shall leave two
more pieces of
M.S.S. this afternoon
at your dwelling
house. I think
three more will

[0002]

finish the whole -

I shall do these before

beginning with

the proofs and

I shall try and

make only those

alterations which

are required to

bring back the

sense. I hope if you

are losing some

subscribers you

are getting others

[0003]

No effort will be

spared in getting on

as quickly as I can

I have given Arrowsmith

everything - I get

duplicates from

Maclear and he

said nothing about

an occultation

I expected. Arrowsmith

might have the

proofs from

Kalai Eastward

in addition he is

[0004]

famed for being late
and blaming every
body but himself
for it.

I was asked at Oxford
if a better edition & of
higher price would
not be published as
well as a lower. I said
the affair was entirely
in your hands. I mention
it only. Is this the
permanent paper?
Very good about the
engraving - I enclose
a musical instrument
which may please you better

D Livingstone

Would some with gilt edges & a higher price
please such as it does the Bechuanas
