21st Oct 1864

My Dear M^r Murray

You remember couple of volumes my journal stolen by a at Linyanti. I said to the Sekeletu that says you not give the to him. "He " said his queen

[0002] "I gave them him myself " This then [after getting the volumes] went over Mosilikatze's where another named

Chapman was - This Chapman has published a and I should to see it - because I lately went to Linyanti got a mail bag M^r Moffat

[0003] Mosilikatze's in the of which one of the volumes, the taken off in more scientific than would done by a . I would to see his book see if I can my own & we have to one of the libraries - not

[0004] & cant get it. dont know its or publisher

I cannot get [D^r] Kirk agree to a proposition the Hookers to write the & Zoology for the Govern-is willing to £1200. I was to apply for Expedition salary three or four years he fears that his might not satisfactory to the ^t He offers to name plants for me but have been leaving all that

department and all scientific description him. He is a capital fellow I am &c
