My Dear D^r Shaw

You are quite
right about the
balls. I ought
to have said
the ball was
an eight to the
pound ball or
two ounces

[0002]

As some more may
be printed off
yet I have ordered
the phrase to be
changed to a two
ounce ball. When
you mentioned it
I looked at another
place where the
same gun & ball
is spoken of
properly

[0003]

I am glad that you
are pleased with
it. I have written
your name in
a copy, and one
will come to the
society on the
9th for the Library
if admissable.

The large map
is at Birmingham
but I wrote off for
it this morning

[0004]

and it will be
here in good time
for you. Thanks
for the ticket
you sent me

I go down to Rugeley on thursday
but will come up
so as to be at the
meeting on Monday
the 9th

I am ever
yours
David Livingstone
