My Dear M^r Murray

A series of papers
has been begun
yesterday in the
"Field" by a D^r Waghorn
who was attached
to Bishop's Tozer 's
mission with
the intimation
that he was

[0002]

"in connection with
D^r Livingstone 's
Expedition" - Would
it be well to say
to the Editor that
he was not of
my party? or
would it be a
good advertisement?
or would it be
considered by the
public cantankerous
on my part?

[0003]

My good friends
here think that I
had better contradict
him in justice to
you & myself as
people may say
that they have
already read all
about the Expedition
in the "Field" &
not buy the book .
This which I have

glanced over is

[0004]
chiefly about
hunting. he man
is a sort of fool .
If you can convenient
ly answer this before
the next publication
of the "Field" I shall
be obliged.

Yours ever

David Livingstone

All from the bishop
down to Waghorn liked
very much to call them-
selves of D^r L's Expedition
which perhaps was
complimentary though they didn 't
mean it .
