Dear Madam

As I am
anxious to
send our good
friend M^r Gabriel
a copy of my

[0002]

book I should
like to know
if you are
sending out
to him. I have
a box of his
which might
suit & as it
is none the
worse for

[0003]

having performed
a pilgrimage
across Africa
he may be
inclined to
look on it as
a curiosity if
we send it
Supposing you
think the same
how can we send
it to you

[0004]

I am &c

David Livingstone
