1858

My Dear M<sup>r</sup> Murray

I have lighted  
on the analysis  
at last and  
if you could  
get a clever  
fellow to see  
that no typographical  
errors were

[0002]

committed in the  
English I  
might before  
we sail have  
time to do the  
native words .  
A few copies  
are all I want .  
By attending to  
this you will much  
oblige . Yours Ever

[0003]

David Livingstone

he observation  
book has not  
turned up and  
may possibly  
be still in some  
nook and if  
so you will  
be kind enough  
to forward it to  
Thomas Maclear

[0004]

Royal Observatory

Cape of Good Hope .
