Captain Washington R N.

Sir

I am very sorry to have to report the death of Robert Fayers, carpenter of the Pioneer on the 17<sup>th</sup> Curr. After a fortnights illness. We have been detained since the 16<sup>th</sup> November in a most unhealthy part of the river having a large marsh on each side of us. this is the only reason we know for the greater virulence of the Fever for the ship has been kept scrupulously clean above, below and in the bilges. We did not expect a fatal issue and feel the loss very much it being the

I have written to the young mans parents and advised them to apply to you about arrears of wages, and any money that may arise from the sale of his tools and clothes and an account of which will be sent as soon as possible. Their address is M<sup>rs</sup> Fayers
