20 March 1865

My Dear M<sup>r</sup> Cooke

I send by this days the matter with .33a which I sent namely  
33a - 43a & then continuation that 43a numbered  
1 - 12 &c &c and send all as as I can

[0002] over & insert the that any elicit.

Would M<sup>r</sup> Murray's mind looking 33a 43a - it on to the & then see properly paged  
& out of hand. It rather black Prof Owen  
& Oswells corrections I notice that corrections  
& commas are

[0003] times not put in these are looked & the sense materially it would us on with  
speed - of looking [if] all the corrections inserted has more than have been.

I send also a proof I sent with of my

[0004] own. A word left as in the case "Indigo & Senna " in one makes it for to understand  
this now , namely First 201 - 217 for same if now "send it Oswell - William Esq.

Gronbridge  
Tunbridge Wells

[0005]

I like his corrections having much Africa he things to I don't think adverting to  
The Contents of  
[chapters] were once sent the Printer but been lost of I send ones & hereafter

[0006] be sent will to be got of hand unless obscurity want is to made clear or .

My reason for to you of to  
M<sup>r</sup> Murray is divide the I am to . I enclose

[0007] letter from M<sup>rs</sup> Crawford I want a inform-about  
"stone periods"

Is Tylor a authority would spare a just say where African "stone " is proved

[0008]

& could you get the Examiner

Pray excuse

David Livingstone

I send also wood - to be inserted the matter page - your Milliton keep his eye the printer  
that the corrections be introduced rest will all to you Indian for good as soon the reach 2<sup>d</sup>  
Revises

The slips are addressed to M<sup>r</sup> Murray
