My Dear M<sup>r</sup> Murray

I recieved the  
proofs and woodcuts  
safely this morning  
I shall leave two  
more pieces of  
M.S.S. this afternoon  
at your dwelling  
house. I think  
three more will  
[0002]

finish the whole -  
I shall do these before  
beginning with  
the proofs and  
I shall try and  
make only those  
alterations which  
are required to  
bring back the  
sense. I hope if you  
are losing some  
subscribers you  
are getting others  
[0003]

No effort will be  
spared in getting on  
as quickly as I can  
I have given Arrowsmith  
everything - I get  
duplicates from  
Maclear and he  
said nothing about  
an occultation  
I expected. Arrowsmith  
might have the  
proofs from

Kalai Eastward  
in addition he is  
[0004]  
famed for being late  
and blaming every  
body but himself  
for it.

I was asked at Oxford  
if a better edition & of  
higher price would  
not be published as  
well as a lower. I said  
the affair was entirely  
in your hands. I mention  
it only. Is this the  
permanent paper?  
Very good about the  
engraving - I enclose  
a musical instrument  
which may please you better

D Livingstone

Would some with gilt edges & a higher price  
please such as it does the Bechuanas
