Port Luis 18<sup>th</sup> oct

1856

My dear M<sup>rs</sup> Robinson

Herewith I send 4 roots for

Miss Blanche's . they are kind of snow from the top the Eastern ridge 400 miles the East coast are called petse =

[0002] of Zebra from shape have a blush red some pure great numbers out every . they

are pretty though fragile & flower short

I think they had get but little æ rain as they

[0003] not accustomed the luxury of being by young . they seem have sap in them have divided all have between M<sup>r</sup> Fernyhough and you if they are new

& succeed a plant be given at future time the Botanic Garden manure should applied to the ground

[0004] Miss Blanche is very send her to the signal post scold that man me who cheated yesterday and our parting to you so short wont object though gives him a on the head forgot to ask your till fairly yesterday

Yours with much

David Livingston
