Cataracts 30 April
1863

My Dear Waller

The five Ajawa
vel Ichawa aut
Achawa would never
have got the canoe
up with three Shupanga
& Quillimanites. I
gave them a fathom
each. The ruffians
asked Merikano! only
think.

If I understand
rightly you will use
the canoe for a load
up and the boat
[0002]

is considered yours
after Ali & Mabruk
are taken down -
A large canoe will
be necessary for
the luggage as your
craft is small
I shall send for one
though I think
we may be able
in the course of
next month to
draw our supplies
from the Lake
region.

[0003]

I mean to use our
green boat to bring
up rice or any
luxuries that may
have been left for
us in the shape

of salt beef & pork.
This is all of business
I hope Procter is
better and if so
perhaps a change
up here might
help him.
