My Dear Sir

I have been unable to over your kind inves-of my as I am to have correction

[0002] the press all by the

25th to go to meeting the association

As you seem have great for work I been wishing screw up my so far as

[0003] ask you (if is not a piece outrageous) to you edit . M^r Maclear to the (R.G.S.)
public body to print . Sir Roderick looking towards "we shall happy to do it"

[0004] I dont know Murray think it encumbrance not to my own . I believe

Arrowsmith would some of them . but dont like any -like "cooking" that account ~~never~~ sent
my book

[0005] to the Royal Observatory never have time to look their work you had leizure
inclination examine the with observation too & your opinion make any

[0006] additional remarks please. I feel it great favour might possibly suit Murray the
boards my book are . but it would in the Journal the (R.G.S.)

[0007] I could a note into referring the observations by (Captⁿ) .

If however is inconvenient dont to it and your obliged

D. Livingstone

[0008]

I would ask

Murray if you spare the . I ~~would~~ shall a rough of Arrow map as as I know mind

Captain Toynbee
