My Dear D<sup>r</sup>

Can you  
lend me the letter  
which contains  
an account  
of the waterfall  
of the Zambesi .  
I am at that

[0002]

point now and  
would like to  
see it again  
as I wrote  
that description  
with care .

We came  
straight home  
on Thursday  
and did not  
sleep in London .

[0003]

We were well  
but  
I did not make  
the acquaintance  
of Acland.

I am Dear D<sup>r</sup>

Ever Yours D. Livingstone

hat ruffian Arrow-  
smith is putting

all the blame  
on his delay on me .

[0004]  
Will you give  
my  
likeness which  
was sent home  
from Loanda  
by M<sup>r</sup> Gabriel to  
M<sup>r</sup> Brand - M<sup>rs</sup>  
L. wishes to  
return it as  
it was only a loan  
& Brand will  
send it to Gabriel .
