My Dear M^r Murray

I have lighted

on the analysis

at last and

if you could

get a clever

fellow to see

that no typographical

errors were

[0002]

committed in the

English I

might before

we sail have

time to do the

native words

A few copies

are all I want

By attending to

to this you will much

oblige Yours Ever

[0003]

David Livingstone

the observation

book has not

turned up and

may possibly

be still in some

nook and if

so you will

be kind enough

to forward it to
