My Dear $M^{\underline{r}}$ Murray

I beg to acknowledge the receipt of two notes of hand of eight & ten months date [each] for £1050 this morning & return you my best thanks for the same. [0002]We came out here last night and remain a few days in quiet, though I fear that I must come to

evening - at Captain Washington's I have got a bad

cold & only hope

the West End for a dinner this

[0003]

it will be better

before going to

Oxford. I am

thus out of

Arrowsmiths beat

so you must

apply some other

long pole to stir

him up. Set Cooke

at him! My

brother will call for my letters.

I am &c

David Livingstone [0004]

My friends all call out against the portrait by Philips, Vardon says it will do for any one between Captain Cook & Guy Fawkes!
