 2^{d} Nov^r

My Dear Dr Shaw

You are quite

right about the

balls. I ought

to have said

the ball was

an eight to the

pound ball or

two ounces

[0002]

As some more may

be printed off

yet I have ordered

the phrase to be

changed to a two

ounce ball. When

you mentioned it

I looked at another

place where the

same gun & ball

is spoken of

properly

[0003]

I am glad that you are pleased with it. I have written your name in a copy, and one will come to the society on the 9th for the Library if admissable.

The large map is at Birmingham but I wrote off for

it this morning [0004] and it will be here in good time for you. Thanks for the ticket you sent me I go down to Rugeley on thursday but will come up so as to be at the meeting on Monday the 9^{th}

I am ever yours David Livingstone
