$[0001] \\ Hadley Green \\ 10^{\frac{th}{b}} July \\ My Dear Shaw \\ the little girls' \\ eyes having become \\ worse from a \\ slight cold I send \\ her to Lawrence \\ if you will \\ kindly take her \\$

[0002]

I have given her a little of the tincture of the muriate of iron & applied a Colly^m of nitrate of silver 1 1/2 gr to the ounce of water thats all I have done - complains of weariness

[0003]

& headache - probably effects of quick growth. Her mother will answer any other questions.

Will you introduce

Will you introduce M^{rs} L to Stanford or get some envelopes for her - stamped & gummed.

[0004] I shall come tomorrow to the Physicians shall I call at

Lawrence's for you or at the R.G.S. Milne wants to present a book on China to the Soc. I say yes to him. Ever Yours D Livingstone

I am going to Exeter Hall on Sunday
