My Dear D<sup>r</sup> Hooker
I took the
liberty of addressing
a box to your care
for our friend
M<sup>r</sup> Young of
Limefield - West Calder Mid Lothian.
It contains the

[0002]

crania of two Hippopotami

some bulbs and two small tusks - the bulbs especially one small species might be interesting to you and I shall [...] [feel] obliged if you send the box with the other things to M<sup>r</sup> Young's address at your convenience.

The box came

by the H. M. S. Narcissus and when I heard of it a few days ago was in the Custom House at Portsmouth.

I hope that your family and your Father are

well & beg to be kindly remembered to them until I can go out & pay my respects in person I shall do so though

[0004]
I suppose you are more frequently bored by vagrants than you relish
I am &c
